Introduction

The Lincoln Surgical Hospital Patient Portal offers secure electronic access as a service to patients who wish to view a summary of their medical record. This interactive web portal will empower patients and their families to take a more active role in their care by providing easy, secure access to their health information and online communication with Lincoln Surgical Hospital staff.

Lincoln Surgical Hospital gives patients instant access to their health information, including laboratory results, medications, allergies, demographic information, visit history, discharge/aftercare information, and more. Patients can also access their billing statements and outstanding balances and link to Online Bill Pay. In addition to handling their own care, parents and health care proxies with authorized consent will appreciate the ability to access the records of those individuals for whom they manage care.

Lincoln Surgical Hospital encourages all of their patients to enroll in the Patient Portal, as it presents a valuable opportunity for patients and their families to actively participate in their care, which contributes to better health.

Navigation of Patient Portal

- Use buttons and hyperlinks on portal pages to move forward and backward within portal.
- Do not use browser back arrow to move backwards within portal.
- Use Log Off button in upper right corner when ready to exit the portal.

How to Use the Patient Portal

Allergies and Conditions

Allergies and conditions can be seen from the Health Record main page, as well as when the Allergies & Conditions button is selected. This area of the Patient Portal allows patients to see their active Allergies, as well as their active Conditions. On the Health Record, main page the Allergies table will display as many active allergies as the patient has on record. The conditions table will display as many active problems that the patient has on the Problem List in the Lincoln Surgical Hospital Information System.

Visit History

When in the Allergies and Conditions main page, allergies and conditions are listed in two separate tables. In this screen, Portal Users may select a specific allergy or condition to get more information.

The screenshot shows the 'Allergies & Conditions' page for Peter Pan Parker. At the top, there is a navigation bar with 'Lincoln Surgical Hospital | Patient Portal' on the left and 'Home' and 'Log Off' buttons on the right. Below the navigation bar is a header section with a red cross icon and the text 'PETER PAN PARKER'S Allergies & Conditions'. A yellow banner below the header says 'Select an allergy or condition to view more details. Learn More'. There are two tables: one for Allergies and one for Conditions. The Allergies table lists 'peanut' (updated Oct 20, 2014) and 'Cephalexin' (updated Oct 07, 2014). The Conditions table lists 'Arthritic-like pain', 'Hashimoto's disease', 'Mania (monopolar) single episode or unspecified', and 'Hypertension'. On the right side, there are two buttons: 'Back to Health Record' and 'Print'. At the bottom center, there is a 'Contact Us' link with a telephone icon.

Allergy Detail Page

Clicking on an allergy brings the Portal User to the detail page of that allergy. The Allergy detail displays the following information from the display in the Lincoln Surgical Hospital Information System:

- Type – either Allergy or Adverse Reaction
- Date Last Updated
- Reaction – the applicable entry selected from the Allergen Reaction dictionary
- Severity – Mild, Intermediate, Severe, or Unknown

The screenshot shows the 'Allergies & Conditions' page for Peter Pan Parker's. The header includes the Lincoln Surgical Hospital logo and 'Patient Portal' text, with 'Home' and 'Log Off' buttons. The main title is 'PETER PAN PARKER'S Allergies & Conditions'. A yellow box contains the text 'View the details of this allergy. [Learn More](#)'. Below this is a table for 'Cephalexin' with the following details:

Type:	Allergy
Date Last Updated:	Oct 07, 2014
Reaction:	THROAT SWELLING
Severity:	Severe

On the right side, there are two buttons: 'Back to List of Allergies & Conditions' and 'Print'. At the bottom center, there is a 'Contact Us' link.

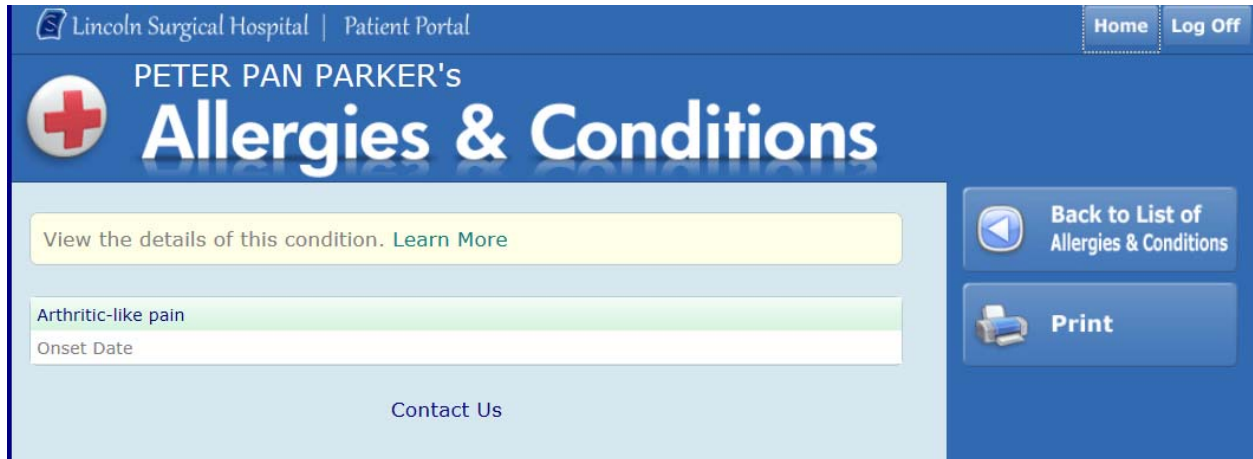

Conditions

The conditions table displays the active problems from the problem list as defined in the Lincoln Surgical Hospital Information System. Inactive problems are not included in this list.

Conditions Detail

The conditions detail displays:

- Problem list description
- Onset Date

The screenshot shows the patient portal interface for Peter Pan Parker's 'Allergies & Conditions'. At the top, there is a navigation bar with 'Lincoln Surgical Hospital | Patient Portal' on the left and 'Home' and 'Log Off' buttons on the right. Below this, the page title 'PETER PAN PARKER'S Allergies & Conditions' is displayed with a red cross icon. A yellow box contains the text 'View the details of this condition. Learn More'. Below this, a green box shows 'Arthritic-like pain' and a white box shows 'Onset Date'. At the bottom center, there is a 'Contact Us' link. On the right side, there are two buttons: 'Back to List of Allergies & Conditions' with a left arrow icon and 'Print' with a printer icon.
