

Billing

The Patient Portal includes an option to view Billing and Accounts Receivable accounts.

The screenshot shows the main menu of the Patient Portal. At the top, there are five icons: Health Record (folder with red cross), Medications (Rx and pill bottle), Appointments (calendar with clock), Billing (calculator with dollar sign), and Profile (person icon). The Billing icon is highlighted with a red border. Below the icons are three sections: Announcements (with a message about surgery), COVID-19 (with a link to the certificate), and Helpful Resources (with links to patient forms, webpage, portal help, and COVID-19 information). At the bottom, there are links for Contact Technical Support, Preferences, and Terms & Conditions, along with a license notice for Medical Information Technology, Inc.

Billing Detail

Selecting an account on the main billing page brings the Portal User to a detail page that lists transactions for the account.

The screenshot shows the Billing Detail page for Peter Pan Parker's account. The page title is "Peter Pan Parker's Billing". Below the title is a message: "View all billing transactions for this account. Online payments are reflected as a transaction once the payment has been processed by the Billing Department. [Learn More](#)". The page displays the following information:

Date of Service: October 20, 2014 Location: OPERATING ROOM
